EXPERIENCES

LUCA IACONELLI -

Freelance/Contract

Jul 2020 - now

Developer of high-performance, responsive applications for web, mobile, and native platforms: UI/UX implementation (layout, styling, accessibility), performance engineering (optimization, caching, offline access), quality assurance (testing, CI/CD integration)

ILLIMITY BANK - Full stack developer

Jul 2019 - Aug 2020

Led the Frontend team, ensuring high-quality code delivery within deadlines, selected technologies and architectural designs aligned with company requirements, focusing on code quality and consistency. This role allowed me to stay up-to-date with frontend best practices and continually improve my development, communication, and mentorship skills

IT AUCTION - Full stack developer

Apr 2017 - Jul 2019

Developed a data-driven, serverless corporate web application using cutting-edge technologies. This experience allowed me to refine my skills in SSR and data-driven application development, further expanding my proficiency in Frontend technologies

STUDIO MADO - Full stack developer

Dec 2015 - Apr 2017

Developed and maintained high-end front-end applications, utilizing a range of technologies including JavaScript (ES6+), TypeScript, CSS3/Sass, and HTML5

IDEARTE DESIGN - Co-Founder/Lead developer

Dec 2015 - Jul 2019

My digital agency specialized in growth-driven web solutions

SED WEB AGENCY - Full stack developer

Dec 2014 - Dec 2015

Design and development of many e-commerce, e-learning platforms, landing pages and custom plug-ins on the WordPress platform plus the development of mobile applications

BETA FORMAZIONE - FrontEnd developer

Dec 2013 - Dec 2014

Design and development of many e-commerce and e-learning platforms

YOUR3MINUTES - Full stack developer

Mar 2014 - Aug 2014

Multilingual web video-recruitment platform, which can also be used on mobile phones

STUDIO ABACUS - Programming Tutor & Mentor

May 2011 - Aug 2014

Mentored students from multiple schools, adapting explanations to individual learning styles

GEMOS - Full stack developer

Jul 2009 - Dec 2013

Provided comprehensive technical support for 700+ employees across 200+ systems

EDUCATION

GOOGLE MOBILE AND WEB SPECIALIST

Google online-Degree sponsored by a Google-scholarship

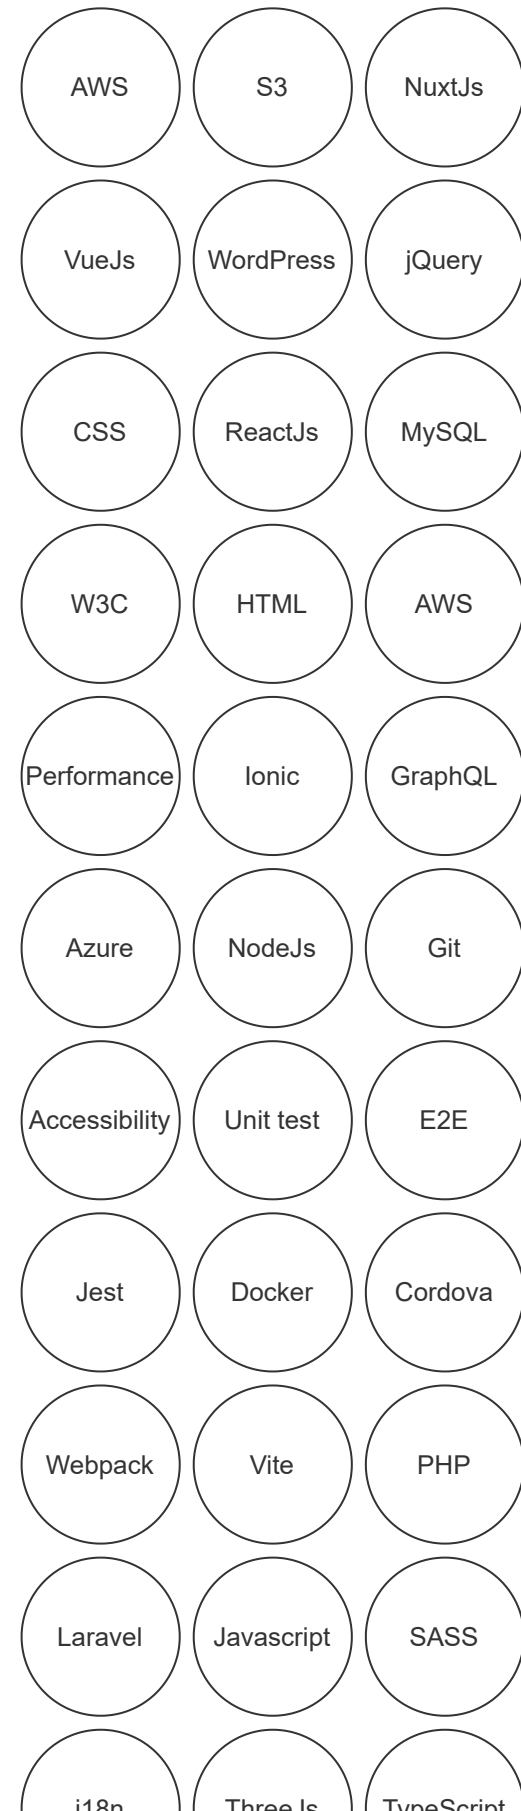

INFORMATION TECHNOLOGY ABACUS

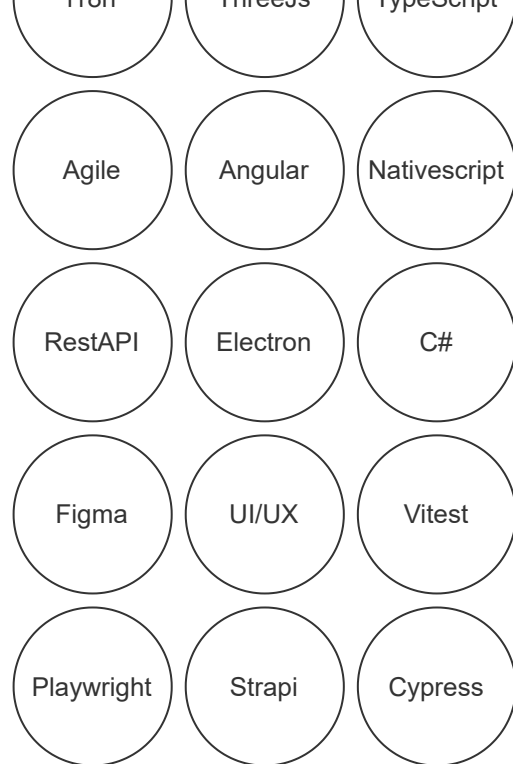

Institute of IT, Math and Statistics

EXTRA

Philosophy, Photography, Microsoft Office,
Computer security
